Theta Phi Alpha National Office Announces New Staff

BAY VILLAGE, Ohio – Theta Phi Alpha is proud to announce the appointment of Lily Keister as the organization’s new Coordinator of Programming and Membership Engagement.

Lily joins the National Office staff, coming from a campus-based background. She recently received her Bachelor of Science in Educational Studies and her Master's in Higher Education Administration and Student Affairs from Kent State University while working alongside the Fraternity and Sorority Life (FSL) community amongst other varying departments. She brings a passion for leadership development and education to support the members of Theta Phi Alpha.

She has been responsible for developing educational opportunities for collegiate and alumni members, volunteers, and advisors. Lily will provide administrative, program development, and training support for Theta Phi Alpha's programming activities and initiatives. Additionally, the role supports the volunteer management process, membership retention, and recognition.

Lily aims to create a comprehensive education plan for Theta Phi Alpha regarding various leadership roles. Although she is a member of Delta Gamma Sorority, she is excited to enhance Theta Phi Alpha's mission and bring a new perspective to the organization.

Founded in 1912, Theta Phi Alpha is a women’s organization to provide close comradeship; to advance educational, social, and philanthropic interests and leadership training; to encourage spiritual development and adherence to the highest moral standards; and to promote lifelong bonds of friendship; a fraternity for college and university women and alumnae.
