Theta Phi Alpha Mourns Loss of Alpha Psi Member

BAY VILLAGE, OH – It is with great sadness that Theta Phi Alpha announces the passing of Catherine Elizabeth Kime, age 21, who succumbed to injuries following a tragic car accident on June 30.

Catherine was an initiate of the Alpha Psi Chapter at the University of Dayton and later transferred to Lourdes University in Sylvania, Ohio to pursue a degree in nursing. Catherine embodied the values of Theta Phi Alpha in everything she did from her academic achievements as a tutor and Dean's List scholar, to her personal ideals as a compassionate friend and daughter, humane society volunteer and advocate for health and fitness.

Our thoughts and prayers are with the Kime family and the Alpha Psi sisters this week as they mourn the loss of Catherine.

Founded in 1912, Theta Phi Alpha is a women's organization to provide close comradeship; to advance educational, social, and philanthropic interests and leadership training; to encourage spiritual development and adherence to the highest moral standards; and to promote lifelong bonds of friendship; a fraternity for college and university women and alumnae. Theta Phi Alpha was founded at the University of Michigan in Ann Arbor; today there are 56 active collegiate chapters, 34 alumnae associations and three alumnae clubs in the United States.
