## **Theta Phi Alpha to establish an Emerging Chapter at Gordon State College**

**BAY VILLAGE, Ohio** – The Grand Council of Theta Phi Alpha is pleased to announce the acceptance of an invitation to establish an emerging chapter at Gordon State College in Spring 2025. After determining there was a deep interest in sorority life on campus and reviewing applications from the member groups of the National Panhellenic Conference (NPC), the faculty and staff involved in the sorority extension committee selected Theta Phi Alpha, a women’s social sorority with 52 chapters on campuses nationwide, to join the community at Gordon State College.

“Joining a campus community is always an exciting opportunity. We look forward to partnering with Gordon State College to bring the Theta Phi Alpha experience to the campus”, said National President Kristin Henkenius. This new campus organization will offer opportunities in leadership development, wellness programming, philanthropy, networking, and social offerings.
